## DATABASE BLEND

# CONFIDENTLY OVERCOME THE CHALLENGES ASSOCIATED WITH COMBINING SPI DATABASES

**SIMPLIFY YOUR SPI LANDSCAPE – EFFICIENTLY BLEND DATABASES**

Successfully blend data from multiple SPI databases; reduce supports costs and improve ease of use; promote better tag management, application integration, consistent standards and higher data quality.

Reduce the burden of maintaining multiple Access Rights, User Preferences, SPI Projects (in Owner Operator mode databases), Oracle / MSSQL instances/schemas (databases), hardware infrastructure, and SPI Support costs by reducing the number of databases.

Beaconsuite™ Database Blend addresses the real need for a robust, safe mechanism to blend SPI data.

## BENEFITS

Makes it easier to find and report on data by not having to search multiple instances

Minimizes risk of tag number duplication

Enables future Unit duplication possibilities across the SPI Plant hierarchy within the one database

Reduces IT maintenance costs e.g. fewer databases

Facilitates the goal of integration with other design tools and SmartPlant Foundation

## FEATURES

Reports standards differences between two databases. An intelligent auto mapping algorithm efficiently maps pick-list selections (e.g. Instrument Types, Manufacturer, I/O Types)
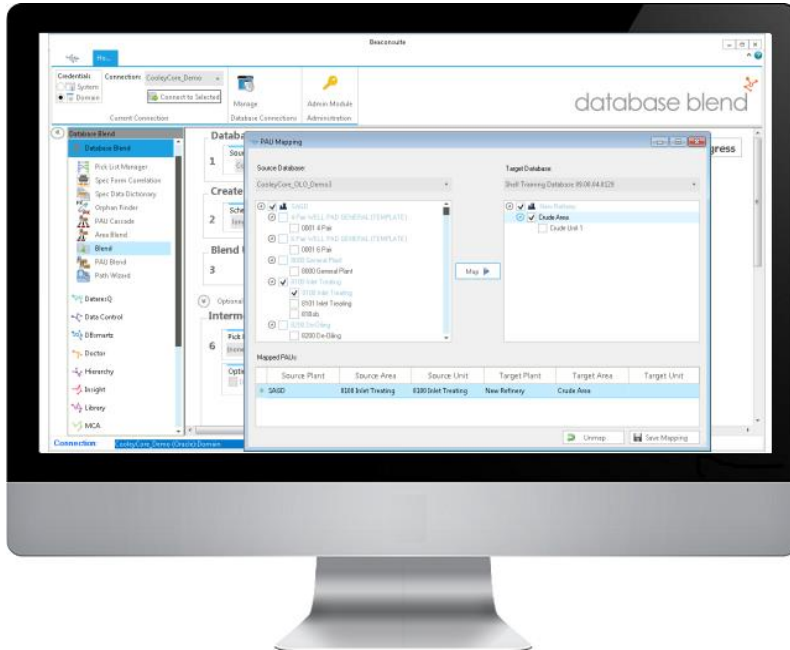

Transforms the source database standards while blending the data into the target database

Leaves the source database untouched while blending its data into the target database

Identifies bad data prior to blending the databases in some cases, fixes the bad data and fixes bad data prior to blending the databases

## TECHNICAL SPECS

- Desktop deployment and installation via electronic download
- Oracle and MS SQL Server databases
- .Net Framework 4.5 or higher
- Windows 7, 10
- MS Office or MS Excel 2007, 2010
- 4GB of RAM

**Included in your download, you receive:**
- Installation manual, including system requirements
- Installation media
- One year license key
- User manuals
- Free setup support
- A comprehensive warranty

**Technical Support:**
- Monday to Friday (excluding statutory holidays), 8am – 5pm MST
- Support@cooleycore.com

**For more information or to purchase visit:**
- cooleycore.com
- smartstore.cooleycore.com
